It's Your DART Rider News Notice E-Mail – DART first introduced about 350 of its riders to our Rider E-Mail service in 2003. Since the beginning of this rider e-mail service, DART has been advising you about what DART wanted you to know. Today, the rider e-mails reach almost 15,000 riders! We now ask if this is still the best and relevant way you want to get your transit information and what is the news you need to make your travel plans. Thousands of you have been riding DART for many years and we thank for your loyalty to your State's public transit system. You can also help improve your transit system by telling your friends, coworkers, and group members about why you ride DART buses and SEPTA trains, and how it benefits you. Let us know what news you need and how best to get it to you. Please provide your comments at [News Needs](#).
